KCA Receives Community Service Grant

Harrisburg, PA – The Keystone Contractors Association (KCA) is pleased to announce that they are one of two recipients of the American Trucks Positive Payload Winners for 2018.

American Trucks created this grant program to award organizations who utilize pickup trucks benefitting their communities. Along with the KCA, the other recipient of this year's grant was the DelMarVa Council of the Boy Scouts of America.

“At the KCA we were thrilled to hear that we were this year's grant recipient from the American Trucks,” said Jon O'Brien, KCA executive director. “We have a vision to raise awareness of the opioid epidemic within Pennsylvania's construction industry and this grant enables us to deliver this vision.”

For more information on the KCA's efforts on opioids awareness, please visit:
